INTERVIEW

1. Did you find your colleague or someone in your company or campus in a not appropriate time? For example: he/she is not in the office or he/she is very busy
yes/no

2. If yes, how often does that condition happen?
Never/once a week/several times a week/often/always

3. Do you hate the condition?
Yes/I don't care

4. Do you try to solve the problem?
Yes/no

5. if yes, what action did you take? Does that work?

6. If there is an application which can show your colleague's state, such as whether he/she in the office or he/she is busy, do you want to try?
Yes/no

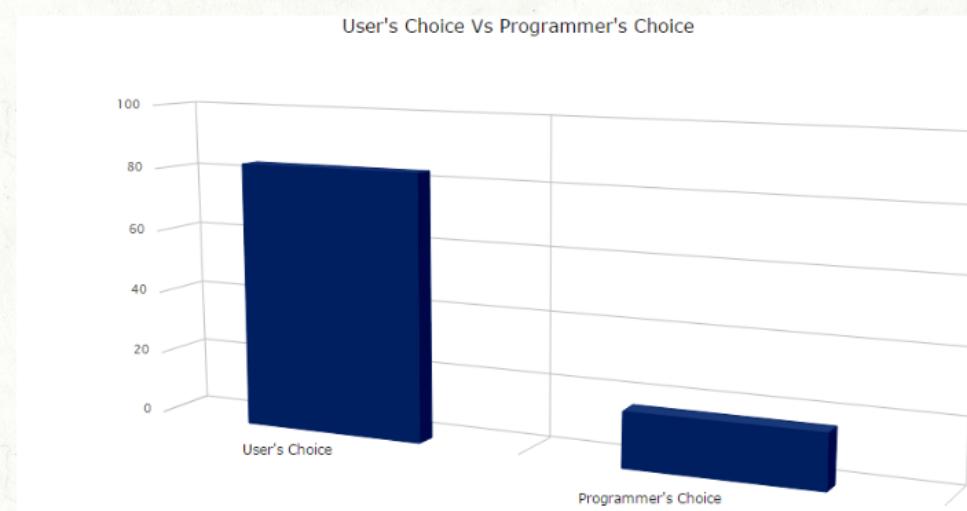

7. Except the information we mentioned above, do you want to know other information from the application? What information?

8. In which way do you want to receive the information from the application?
By mobile phone application
by the application on you desktop of your computer
by the device in public area, such as the screen in the coffee room
other

9. In which way do you want the information to express?
By Information Push
by email
By graphic
by audio
other
